building into the future since 1969

C250 galvanised steel narrow slot heel - guard grating 1000mm long Ref: **GNH100KCC**

BENEFITS INCLUDE:

- C250 Loading – Medium Duty traffic/some Heavy Duty traffic applications.
- Maintenance free.
- Galvanised finish – eliminates oxidation (discolouration) which is a natural process for ductile iron.
- The narrow opening between the slots provides heel - guard compliance ensuring that this product is suitable for mixed areas of pedestrian and traffic applications.

APPLICATIONS:

- Designed to suit ULMA **SELFK** and **U100K** Polymer Concrete Pre-Fabricated Drainage Channel Systems.

Ref: GNH100KCC
